EXPERIENCE

| Producer | Brit + Co Show

November 2018-December 2018

www.brit.co/podcast

- Supported the launch of four episode pilot season in less than one month.
- Responsible for researching guests and preparing interview questions, coordinating with engineers and guests, overseeing in-studio interviews and voice over sessions, writing/editing scripts, and collaborating on story editing.
- Coordinated with the team at Pod People, Brit + Co, and the sponsor, L'oreal Paris, to create a quality interview-style podcast that met its commercial commitments.

| Creator, Host, & Producer | A Therapist Walks Into a Bar Podcast

January 2016-October 2018

www.atherapistwalksintoabar.com

- Performed script writing, narration, editing, and scoring with original music.
- Coordinated guest appearances and collaborated with guest producers on specific episodes.
- Managed all show promotion, web design, and social media.
- Built an audience of 3000-4000 regular listeners, totalling over 130,000 downloads to date.
- Appeared in Buzzfeed's "27 Podcasts You Need To Start Listening To In 2018" (February 2018) and was featured on RadioPublic's homepage (April 2018).

| Creator & Host | Radical Advice Radio Show on Best Frequencies Forever

June 2017-Present

www.bff.fm/shows/radical-advice

- Host a weekly, live advice show for community radio, exploring the intersection of psychology, politics, and activism.
- Interview guests, answer listener questions, and manage studio engineering while on air.
- Recruit and schedule a diverse range of guests from mental health professionals to artists and activists.
- Manage promotion to build core listening audience.
- Guest DJ other shows and support non-profit station by producing audio content for fundraising campaigns and participating in other promotional projects.

| Freelance Audio Producer & Composer | Various

January 2018-Present

www.lilymakesound.com

- Proficient storyteller, editor, sound designer, and engineer with over 3 years experience.

- Composed original music for podcasts such as *This is Not What I Ordered*, *The Jedediaries*, *Raised*, *A Picture's Worth*, and *View From the Top* from Stanford Business school.
- Created short, experimental audio pieces that have been featured on *The White Whale Podcast*, *Long Live the New Sound*, and *Earlid*.

| Writer | Various

April 2014-Present

- Wrote 22 blog posts for *Psyched in San Francisco Magazine* over 2 years.
- Had pieces featured in *Huffington Post*, *Elephant Journal*, and *Psych Central*.
- Published an article, "Crossing the Line", in the Spring/Summer 2018 issue of the art and mental health print magazine, *Anxy*.
